Judgment House 2 is coming October 30-31. It is a totally new Judgment House. Instead of being in small groups going from room to room to see the scenes, everyone will come to one big room and the room will change around you. It will be a production that lasts for about an hour. It will be presented 4 times. You will see a family who faces tough decisions and circumstances. Suddenly a tragedy occurs and someone will face Judgment, then Heaven or Hell. It will all unfold right before your eyes. Featuring the music of Thirdday, Switchfoot, Kutless, and more. You don't want to miss it!
